FLEXIBLE HOSE ASSEMBLY TECHNICIAN – FULL TIME

PTS Services is a forward thinking and successful family run business based in Whitecairns, Aberdeen. We specialise in hydraulic, electrical, and mechanical systems, providing comprehensive services include design, manufacturing, onsite services, instrument pipework and equipment refurbishment.

We are looking to recruit a Flexible Hose Assembly Technician to join us on a full-time basis.

Ideal candidate will be someone who has a practical experience of working with flexible hose assemblies, test and certification of hydraulic, mechanical and pneumatic systems in both workshop environment and onsite with excellent communication and the ability to work well with others in a team environment.

This represents an exciting opportunity to join a growing business during an exciting moment of change and development.

Key Responsibilities:

- Identify and assemble all types of hose assemblies to the appropriate specification
- Site surveys and compile hose registers
- Ensure all documentation is completed correctly
- Operate machinery such as swaging machines, hose cutters, pelleting machines and associated equipment

Key attributes include:

- Open and approachable communication skills
- The ability to collaborate effectively with colleagues at all levels of the organisation
